

Come Aboard!

Join Capital City Scuba as we discover the shipwrecks of the Alger Underwater Preserve through the clear waters of Lake Superior and view the rock formations of Grand Island. The boat will also pass the Pictured Rocks as well as the Old East Channel Light, one of the earliest established lighthouses on Lake Superior.

The Sunset Dinner Cruise is Saturday afternoon, August 7th, 2010 --leaving the dock at 1:00 pm sharp. We need a minimum of 12 divers to make the trip, which includes two dives, one in the Alger Preserve and the other after cruising to Grand Marais to dive the shipwreck *Kiowa*. This very popular trip includes a grilled dinner and touring the Picture Rocks National Lakeshore, with a maximum is 20 divers, so sign up ASAP. Non-diving guests (including snorkelers) are invited as well, so sign up your family for this great opportunity.

We are diving with Captain Pete Lindquist of "Shipwreck Tours" aboard the 55' long *Fireball*. *Fireball* has an upper sun deck, two clean, comfortable roomy heads and two state of the art viewing wells for all passengers to see the shallow shipwrecks and unique underwater geological formations we will tour -- you may also see the divers! This is the only place in the United States that you can see real shipwrecks aboard a Glass Bottom Boat! <http://www.shipwrecktours.com/>

We are very excited that family and friends can join the divers for a great time on the water! Last year, even with inclement weather, we all had a very good time. All of us at Capital City Scuba have worked hard to make the Munising Trip an adventure for the entire family. We hope that you will join us for this fun-filled, family weekend in and see some of the beautiful sights that Upper Peninsula of Michigan has to offer.

Please call us at the Capital City Scuba dive shop to reserve your spot--517-853-9500. Motel/hotel rooms in Munising range from \$53-\$135 per night and you should book as soon as possible.

John & Connie Iszler
Capital City Scuba
